01

OUR MACHINERY

We have a sound infrastructure that is supported by an efficient manufacturing unit our strong infrastructure plays an integral role in the development of our company.

02

SLITTING

We offer slit to width capabilities for customers seeking custom width rolls of pressure sensitive adhesive tapes. We can convert adhesive tape into roll that meet customer requirement, Our slitting machines are designed to convert jumbo rolls of up to 1600mm width into hand and machine rolls with super finishing.

03

PRINTING

We operate high-tech printing presses that give the ability to print carton sealing tape. These versatile machines have the ability to print upto two color on both sides of the tape, with exceptional finish.

Why Choose Us?

At Kosher Pvt. Ltd., we don't just provide products — we deliver confidence, consistency, and long-term value. Here's what sets us apart:

Unmatched Quality

Our adhesive solutions are manufactured with precision, using high-grade materials that ensure durability, reliability, and performance under the toughest conditions.

Innovative Approach

We continuously invest in modern technology and R&D to develop products that meet evolving industry demands and global standards.

Customer-Centric Service

Your satisfaction is our priority. We believe in transparent communication, on-time delivery, and responsive support to build lasting client relationships.

Wide Product Range

From industrial tapes to customized solutions, we offer a diverse portfolio tailored to meet the unique needs of multiple sectors.

Commitment to Excellence

Every roll we produce reflects our dedication to excellence, safety, and sustainability — values that guide every aspect of our operations.

Trusted by Leading Brands

Our growing list of satisfied clients is a testament to our reliability, product performance, and consistent quality over the years.
